## Determination of Patent Term Adjustment under 35 U.S.C. 154 (b) (application filed on or after May 29, 2000)

The Patent Term Adjustment to date is 773 day(s). If the issue fee is paid on the date that is three months after the mailing date of this notice and the patent issues on the Tuesday before the date that is 28 weeks (six and a half months) after the mailing date of this notice, the Patent Term Adjustment will be 773 day(s).

If a Continued Prosecution Application (CPA) was filed in the above-identified application, the filing date that determines Patent Term Adjustment is the filing date of the most recent CPA.

Applicant will be able to obtain more detailed information by accessing the Patent Application Information Retrieval (PAIR) system (<http://pair.uspto.gov>).

Any questions regarding the Patent Term Extension or Adjustment determination should be directed to the Office of Patent Legal Administration at (703) 305-1383. ## Notice of Fee Increase on October 1, 2003

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after October 1, 2003, then the amount due will be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there will be an increase in fees effective on October 1, 2003. See Revision of Patent Fees for Fiscal Year 2004; Final Rule, 68 Fed. Reg. 41532, 41533, 41534 (July 14, 2003).

The current fee schedule is accessible from (<http://www.uspto.gov/main/howtofees.htm>).

If the fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due" but not the correct amount in view of the fee increase, a "Notice of Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice of Pay Balance of Issue Fee," if the response to the Notice of Allowance is to be filed on or after October 1, 2003 (or mailed with a certificate of mailing on or after October 1, 2003), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously-paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Effective October 1, 2003, 37 CFR 1.18 is amended by revising paragraphs (a) through (c) to read as set forth below.

Section 1.18 Patent post allowance (including issue) fees.

- (a) Issue fee for issuing each original or reissue patent, except a design or plant patent:
- By a small entity (Sec. 1.27(a))..... \$665.00
  - By other than a small entity..... \$1,330.00
- (b) Issue fee for issuing a design patent:
- By a small entity (Sec. 1.27(a))..... \$240.00
  - By other than a small entity..... \$480.00
- (c) Issue fee for issuing a plant patent:
- By a small entity (Sec. 1.27(a))..... \$320.00
  - By other than a small entity..... \$640.00

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David Lovejoy on 25 August 2003.

The application has been amended as follows:

Claims 40-42 are each amended to depend from claim 39, instead of claim 37, correcting for "said groups" in claims 40-42 which should be antecedent upon "groups" in claim 39.

Claim 55 is amended from "The system of Claim 1 wherein a delay time is controlled before the restart of a job. An interface that allows humans to monitor the health of the system and to log statistics about uptime of each component in the system." to read: "The system of claim 1 having an interface that allows humans to monitor the health of the system and to log statistics about uptime of each component in the system."

Claim 61 is amended to depend from claim 59, instead of claim 58, correcting for "said additional monitors" in claim 61 which should be antecedent upon "additional monitors" in claim 59.

Claim 69 is cancelled, being a duplicate of claim 68.

Claim 73 is amended to depend on claim 72, instead of claim 2, correcting for a

method versus system claim discrepancy.

The title is amended from "Fault-tolerance framework for an extendable computer architecture" to read "FAULT MONITOR MONITOR FOR RESTARTING FAILED INSTANCES OF THE FAULT MONITOR".

### **REASONS FOR ALLOWANCE**

2. The following is an examiner's statement of reasons for allowance: Referring to claims 1-68 and 70-73, the prior art does not teach or fairly suggest one or more second monitors for monitoring said first monitors and, if any particular one of said first monitors fails, for restarting another instance of said particular one of said first monitors, in a fault tolerant computer system for executing one or more jobs on one or more nodes, comprising a hierarchy of monitors for monitoring operations in the computer system including, one or more first monitors for monitoring first operations and, for any particular one of said first operations that fails, for restarting another instance of said particular one of said first operations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gabriel L. Chu whose telephone number is (703) 308-7298. The examiner can normally be reached on weekdays with alternate Fridays off.
